

DUBLÍN

2017

The first thing we did was take a train to madrid

In the train

We arrived to madrid and we went to the airport to take a fly with RYANAIR

Dublín 22 November, Wednesday

- The 22 we walked through the Dublin's streets, after that we saw the "Trinity College and the Old Library, Then we had dinner at the Urban Brewing

Thursday 23rd

Guinness, prison and mall day.

Guinness Storehouse

We have been visiting the Guinness Storehouse in which we have seen how do they make a beer and what ingredients, even we have seen how many bubbles do a beer have.

Prison

Before the Guinness Storehouse we went to a very old prison and we did a visit in which the guide explained us how the prison was many years ago.

Mall

At the end we went to a mall and we saw a lot of shops and we had dinner.

Friday, 24th of november

Early in the morning, we took the bus and we went to the Phoenix park.

- There we walked during thirty minutes approximately. During this walking, we saw a small river with geese, ducks, etc.... we also saw the house of the Prime minister and the American embassy.

- After the walking time we went to the St. Patrick's cathedral. There we learned things about the history of the cathedral, the things that happened there and something about Jonathathhh Swift, who was the writer of The Trips Of Gulliver.

Then, we took a look to the Dublin Castle and It's gardens.

In the afternoon we visited the science museum, wich was very interesting, and a park that was dedicated to an important Irish writer, who was Oscar Wilde.

- After all of this we had a shopping time in a street that was full of shopping centers and other shops.

Finally we had dinner in a pub that served a very good food. And after dinner we went back to the hostel and we packed our luggage, because it was our last day in Dublin.

Saturday, 25th of november, `` Last day ``

- We woke up and we had breakfast at the hostel. Then we took our luggage and we kept it in a small room in the hostel.

After that, we went to the national museum. There we learned things about celtic jewellery and ornament objects. we also saw things about the life of the celtic people and the life of the vikings when they invaded Ireland.

Then, we had a few minutes of shopping time in another street. And finally we went back to the hostel to take the luggage and then to the airport.

We left Dublin in another plane with RYANAIR to
came back to madrid and in Madrid we had dinner
at the burger king and then we took a bus to
Leon
